

JBD × BOUTIQ

The Clearboy programme

Collaboration box — hammer bubbler and nug jar, in bluish teal / silver fume and magenta / gold fume.

Reverse-engineered from one hand-blown original. Renders are proposals — the original stays the reference.

The pieces

	Clearboy hammer	Nug jar
Overall	140 mm	92 mm glass + cork lid
Section	head 68 long, 42 × 37 oval	straight cylinder, ø 44
Opening	bowl ø 25, ø 3 hole	mouth ø 38, cork plug
Wall	≈ 3 mm chamber (inferred)	3 mm, flat closed bottom
Stem	ø 14 OD / ø 8 bore	—
Mark	enamel label, dropped out white	JBD pressed into a stamp pad
Glass	≈ 81 g in boro 3.3	≈ 90 g + ≈ 10 g cork
Frit	bowl end, 4 clear marbles	band under the rim, 7 marbles

Wall thickness on the hammer is inferred, not measured. Two caliper readings — rim and stem OD — lock the whole model; mass, volume and glass cost all move if they come back different.
